# YOU HOLD THE POWER!

*IGNITING YOUR FIRE FOR  
SUCCESS*

Be the spark that ignites the fire for explosive growth within you and your business! If we can find the spark that lights the fire within, if we can focus on protecting that inner light - without giving our power away - that is when we can achieve the most extraordinary success.

Award-winning entrepreneur, **Lori Hilson Cioromski**, has 'been there and done that' as a leader in a historically male dominated industry throughout her career. Learn valuable insights on rising above, getting back to personal core values especially when life throws us unforeseen roadblocks and unexpected curve balls. Overcoming challenges is often difficult and terrifying but coming through the other side with new experiences is life changing. Do not be robbed of your power!

If business owners, working mothers and aspiring leaders read, *“YOU HOLD THE POWER! – Igniting YOUR Fire For Success”*, they will gain the confidence to move mountains, fulfill dreams and achieve unparalleled growth and success in business and in life. For when we own our power, everything is possible!

*“Lori is beautiful woman, from the inside out but boy, does she mean business! As mom and entrepreneur, I can honestly say, she was a trailblazer long before I thought to be one. I love her story because just like she says, EVERYTHING IS POSSIBLE, it is nice to be reminded of it again and again! This is a book to be put into practice, love the Workbook too”*
